To

Rajasevaparayana
B. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
Financial Department.

SIR,

I have the honor to state that Dharmaprakasa Mr. Banumiah has offered a liberal donation of Rs.10,000/- for the construction of an Ayurvedic and Unani in-patient ward and Hospital attached thereto in the name of his mother, Mallamma, the building to be located by the side of the newly constructed Ayurvedic College at Mysore and has requested that this grant may be supplemented by a Government grant of Rs.20,000/- and the building erected as per plans and estimate to be prepared by the Public Works Department. Mr.Banumiah has already arranged with the Mysore Bank for payment of bills as the work proceeds up to a limit of Rs.10,000 to the President of the Trust Board, Mysore, the arrangement holding good for the present for a period of six months.

2. When I had been to Mysore last to attend the Meeting of the Ayurvedic and Unani College Committee, I inspected the vacant ground adjoining the Ayurvedic College buildings with Mr. Rama Iyer, ------ Mr. Banumiah and other members of the Committee I find the site very suitable for constructing this building, if some houses adjoining -- the vacant plot were acquired. The President of the Trust Board is taking necessary action to make the site available for the purpose.

3. A Hospital close to the College with in- atient wards is -- very necessary to give training in clinics and Hospital work to

the students that are trained in the Ayurvedic and Unani College. Having regard to the numerous demands upon Government I thought that if I could get a substantial contribution it would greatly facilitate the undertaking of this building and prevailed upon Mr. Banumiah to make the above contribution. Both for the Unani & Ayurvedic In-patients and Out-patients we have to spend now nearly Rs.180/- per month by way of rent which at 6 per cent -- interest represents a capital outlay of nearly Rs.35,000/-. By the construction of the building the above recurring expenditure can be saved.

4. I recommend that the endowment so generously offered may be kindly accepted and a sum of Rs.20,000/- sanctioned as -- Government contribution so that a building at a total cost of - Rs.30,000/- may be constructed. As regards the Government share of the cost a provision is now made for Rs.16,000/- annually for grants to Homes for the relief of Destitutes and Infirm persons. Nearly Rs.8000/- are saved annually out of this amount and the Government share of the contribution may be paid in 3 instalments, Rs.8000/- immediately the remaining portion in 2 annual instalments of Rs.6000 each commencing from next year. A decent building may be constructed immediately with Rs.18,000/- to meet present requirements and as the balance becomes available the additions necessary may be made. I may state that such a building will greatly improve the environments of the college and the Chamarajendra Technical -- Institute on the Sayaji Road and be a fitting addition to the -- important buildings already existing there.

I request that early sanction of Government may be kindly -- obtained for the above recommendations as Mr. Banumiah is very anxious to see that the building is an accomplished fact within the next --- 6 months, and desires that the Dewan Sahib may be requested to lay -- the foundation stone of the building after his return from Simla.

I have the honor to be,
Sir,
Your most obedient servant,

2. It is proposed to raise a first floor over the whole of the present building at a cost of Rs. 25,000 to accommodate both the College and the Hospital in one and the same building. This addition will give a more imposing appearance to the present building and will be in keeping with the other important buildings in the locality, such as the Sree Krishnarajendra Hospital, the Chamarajendra Technical Institute and the Medical College buildings. Sowcar Dharmaprakasa Banumiah is agreeable to the utilisation of the endowment of Rs. 10,000 granted by him for the construction of the Hospital, raising the first floor of the College building. When the Dewan had been to Mysore to open the College building, he expressed his approval for putting up an upstair to the building.

3. In these circumstances, I request that administrative sanction may kindly be accorded for the construction of the first floor to the present Ayurvedic College building, at a cost of Rs. 25,000, Rs. 10,000 to be met from the endowment of Dharmaprakasa D Banumiah and Rs. 15,000 from the Chattram Savings Funds in two or three instalments.

4. I request that early orders of Government may be obtained in the matter, as at present the Hospital is located in a rented building about a mile from the College, and the work of both the institutions suffers on account of this distance."

ORDER NO. 611-17—MUZ. 43-30-4, DATED 16TH SEPTEMBER 1930.

The Muzrai Commissioner's proposal to raise a first floor over the present Ayurvedic and Unani College building at an estimated cost of Rs. 25,000 is approved. Plans and Estimates for the work should be got prepared very early and submitted for sanction.

2. Government accept with pleasure the generous offer of Rs. 10,000 made by Dharmaprakasa Mr. D. Banumiah on this account. The amount will be deposited in the Savings Bank at the State Huzur Treasury in the name of the Muzrai Commissioner to be transferred to the Public Works Department when the work commences.

The Muzrai Commissioner is requested to convey the thanks of Government to the donor for his munificent contribution towards the advancement of the study of indigenous systems of medicine

No. 611-17—Muz. 43-30-4, dated 16th September 1930.

3. The balance of the estimated cost of the building, namely Rs. 15,000, will be met from the Chattram Savings Fund in two equal annual instalments.
